

Thank you for a wonderful meal last night. The standard of the presentation and quality of the meal surpassed all our expectations (which were already high). We enjoyed each course and struggle to pick out which one was a favourite, each of us having enjoyed different qualities in each. Congratulations must be given to the menu as a whole as each of the courses complemented each other and the whole, all round package of flavours and textures, was superb but the over-riding complement I wish to make, is how my daughter enjoyed the whole experience; Steve and you, did a fantastic job in engaging the imagination of each of the children and it is ages since I have seen \* all 'fired up' in this way. She was motivated and confident that it would be a success, which for \* who is full of self doubt and self criticism is unusual. The Bistro evening was a success on all levels, the children that took part were a huge credit to you and AMVC and please add me to a mailing list for up and coming events and a big thank you for all the staff that gave up their time to make this happen.

Just a quick note to say what a wonderful night we had yesterday with such fine food and wonderful atmosphere. It was very nice to see the pupils working well as a team in a very calm manner. Also present was a sense of discipline and clear direction from their chef. Enjoyed the food and would definitely attend one of these Bistro nights.

A fantastic experience for guest and students. Food was fabulous – atmosphere excellent and great value. Thank you.

Food and service was excellent.

Fantastic meal and service – thank you. Gordon Ramsey would be proud of you all...

Well done, we had a great evening. Thank you all.

A very enjoyable evening.

Excellent service. Fabulous dessert. This is by far the best meal I could ever have expected!!! And more!

Dessert: Wow...fantastic combination and presentation.

Just thought I would write to congratulate the team on a wonderful evening. We were expecting a quality meal and my wife and I weren't let down. In deed, our expectations were exceeded. The food was cooked to perfection and the presentation was exceptional for such a young group of chefs. You would be happy to pay £25 per head for a meal like that in a restaurant and not be disappointed.

I will also say that \* was totally into this experience and very proud of what he achieved both as an individual and also as a team.

Thanks to Steve and yourself for all your hard work.

Thank you to You, Steve and all the children that took part in the Bistro Experience....I really enjoyed it, fantastic food and it was really well organised. Everyone was so calm in the kitchen...it was really good to watch them all.....No Stress (Like Gordon Ramsey!!) I felt very proud of Jake for taking part & I know he really enjoyed it & very proud of AMVC.

Many thanks to you and your colleagues for another fantastic bistro evening, my family, friends and I really enjoyed it.
