

CONSIDERING A LEVELS?

There are many reasons to study A Levels, here are our top 5:

- 1. THE GOLD STANDARD FOR UNIVERISTY ENTRY** If it's your ambition to go to university, then you should consider taking A levels.
- 2. PREPARATION FOR UNIVERISTY** They are a great introduction to the study habits required by universities because they have been designed as university entrance exams.
- 3. THE BEST ROUTE INTO TOP UNIVERSITIES** A levels are the preferred entry qualification for many top universities, such as Cambridge and Oxford. Taking A levels demonstrates your commitment to securing a place at a UK university.
- 4. ALLOW YOU TO SPECIALISE** While many other university entrance qualifications focus on a broad education, A levels allow you to focus on a few subjects that relate to the course you want to study at university.
- 5. EMPLOYERS LOVE A LEVELS** While A levels are important for admission to university, they also provide advantages later on. A levels – and their grade levels – are widely recognised by employers around the world.
