What have you applied for?

Is Arthur Mellows your first choice?

Yes

No

An offer of a place in the Sixth Form will depend on:

- **A Level:** Students who wish to study A Level courses will need 7 GCSEs at Grade 4 or above, including a minimum of 4 Grade 6's. *A Grade 4 in Maths and English will be accepted if students agree to complete a GCSE resit in the subject where they achieved a Grade 4 and following a successful interview. This is at the discretion of the Head of Sixth Form.*
- **Vocational:** Students who wish to study Vocational courses will need 5 GCSE's at Grade 4 including Maths and English Language. *A Grade 4 in Maths and English will be accepted if students agree to complete a GCSE resit in the subject where they achieved a Grade 4 and following a successful interview. This is at the discretion of the Head of Sixth Form.*
- Vocational qualifications will only count as one GCSE for all students.
- A recommendation from your current school, as suitability for successful Sixth Form study in three subjects of your choice, from the range offered by the College.
- Having satisfied the entry requirements specified for each Sixth Form course.

Final courses are always subject to minimum numbers and may not run if not viable.

4 Personal Statement

Please tell us about yourself including achievements, interests, hobbies and ambitions. You may add an additional sheet if you require.

YEAR 12 OPTION BLOCKS (SEPTEMBER 2019 INTAKE)

A LEVEL ROUTE:

At Arthur Mellows we offer two pathways: A Levels and a Vocational route. Vocational subjects (BTEC and OCR Nationals) are Level 3 qualifications which are recognised by both employers and most universities.

Students who wish to study A Level courses will need 7 GCSEs at grade 4 or above, including a minimum of 4 grade 6's. A grade 4 in Maths and English will be accepted if students agree to complete a GCSE resit in the subject where they achieved a grade 4 and following a successful interview.

On results day, if a student is awarded a grade 4 in English and/or Maths, they will be required to select the English/Maths resit subject from Option A, and therefore they will only be able to select options from blocks B, C and D upon discussion with the Heads of Sixth Form.

Specific entry requirements for each subject will be stated in the prospectus

- Please select **three** A Levels you would like to study as part of your Post 16 options.
- You can only select one subject from any Option Block.
- If you wish to study Further Mathematics, you must also choose Mathematics.

Option A	✓	Option B	✓	Option C	✓	Option D	✓
A Levels		A Levels		A Levels		A Levels	
Religious Studies – Philosophy and Ethics		Business Studies		Fine Art		Art Textiles	
English Literature		Drama and Theatre Studies		Biology		Biology	
English Language		Chemistry		History		Economics	
Geography		French		Media Studies		History	
Mathematics		Further Mathematics		Physical Education		Mathematics	
Psychology		Geography		Sociology		Music	
Physics		German		Computer Science		Psychology	
Maths GCSE resit		Spanish		Chemistry		Product Design	
English GCSE resit							

Continued overleaf /.....

VOCATIONAL ROUTE:

Students who wish to study Vocational courses will need 5 GCSE's at grade 4 or above including Maths and English Language. A grade 4 in Maths or English will be accepted if students agree to complete a GCSE resit in the subject where they achieved a grade 4 in order to gain a grade 5, this is also subject to a successful interview.

- If you wish to study Vocational subjects please select **two** Vocational subjects.
- As each Vocational subject is equivalent to one and a half A Levels you need to attend extra lessons. You must therefore select both **Part 1 and Part 2 of the subject combinations.**
- Please note you can only select **one Part 1 subject from each of the option blocks**, however you may select two Part 2 subjects from the same block as long as they are both in a different column.

eg **you can** study Applied Science (Option C and D) and Health and Social Care (Option B and C), **but not** Applied Science (Option C and D) and ICT (Option B and D).

OPTION A ✓		OPTION B ✓		OPTION C ✓		OPTION D ✓	
BTEC		BTEC		BTEC		BTEC	
Column 1	Column 2	Column 1	Column 2	Column 1	Column 2	Column 1	Column 2
Business Studies Part 1		Health and Social Care Part 1		Sport Part 1		Applied Science Part 1	
Music Performance Part 2		ICT		Creative Media Part 1		Engineering Part 1	
		Sport Part 2	Engineering Part 2	Health and Social Part 2	Applied Science Part 2	Travel and Tourism	
		Creative Media Part 2	Business Studies Part 2			Music Performance Part 1	

Enrichment:

Community Sports Leader Award (CSLA)	First Aid	Student Newspaper	Extended Project Qualification (EPQ)	Young Enterprise Programme (YEP)
--------------------------------------	-----------	-------------------	--------------------------------------	----------------------------------

Comments: Please complete this section if you are unable to take the subjects you wish due to the Option Block choices. Please include the subjects you wish to study and the issue ie 'I wish to study Business / Drama but both are in Option block B'.
