

# CONSIDERING SIXTH FORM SCHOOL

## AMVC Introduction

AMVC prides itself on being a high performing comprehensive school, rated outstanding by Ofsted. It pursues high standards and offers excellent educational opportunities through the high quality of our teachers, it's curriculum and it's resources.

Now is the time to consider the options available to you at Post 16 and AMVC could provide the appropriate learning environment for you to reach your full potential. Although you are currently, ardently studying for your GCSE examinations, it is important that you take time to select suitable courses.

Below is a link to the AMVC 2021/2022 prospectus. It will provide you with the appropriate information to begin planning for study in Key Stage 5.

## Other Sixth Form Schools Locally

You may well wish to consider other local schools, in order to continue with Sixth Form education in a school environment. Please see below a list of other local schools with Sixth Forms you may wish to consider. The majority of our Year 11 students choose AMVC as their Sixth Form provider, however some students have chosen to look elsewhere in the past for various reasons and whilst this list isn't exhaustive, these are the main schools you may wish to look at:

Ken Stimpson Community School

Queen Katharine Academy

Nene Park Academy

The King's School

Jack Hunt School

Ormiston Bushfield Academy

Hinchingbrooke School.
